

## FOREST HOMECARE

Today we received a lovely email from Councillor John Spence (Cabinet member for Health and Adult Social Care)

To all Adult Social Care Staff

Across Essex this week there will have been many heroes and heroic actions. Those in the emergency services, our “we never close” gritters, and good neighbours have all been making the headlines.

So I just wanted to add a personal thank you to every one of you who has kept our Adult Social Care machine on the road. Those quietly visiting the elderly and vulnerable, making sure they are dressed and undressed, fed and watered, warm and medicated – all of you provide true lifelines to those in greatest need. I know that all my fellow Councillors would want to join me in this note of tribute and gratitude.

Kind Regards

CLlr John Spence CBE DL
