

FOREST HOMECARE

This year we decided to take part in the Christmas Jumper Day for Save the Children on Friday the 15th December 2017.

Save the Children has helped over 22 million children in 2016 through child protection, child poverty, health, hunger, children's rights and education. They help children all over the world through donations, campaigns and volunteering. They have done extensive work in Africa, Asia, Europe, Middle East, South and Central America and in the UK.

We raised a total of £49.54 at our head office in Sible Hedingham. We had a small cake stall and had donations throughout the day we took part in the celebrity sweep stakes.
